VIN 2000-15

Subject : Motorhome Registration

Implementation Date: November 1, 2000

Background

California Vehicle Code (CVC) §§35100 and 35400 restricts all vehicles (except those vehicles exempt under CVC §35104), to 40 feet (480 inches) in length and 8.5 feet (102 inches) in width. California will **not** accept a registration request for any motorhome exceeding length or width limits.

Procedures

The length and width of motorhomes must appear on the documents submitted for registration. Record the information as follows:

- Write the length and width of the motorhome directly on the Application for Registration of New Vehicle (REG 397) in the length/width space provided for camp trailers and CCH's.
- or
- Complete and sign a Statement of Facts (REG 256) stating the length and width of the motorhome.

Distribution

This memo was distributed in October 2000 to Dealers, Dismantlers, and Registration Services.
